DOLLARS 4 SCHOLARS

The Manhattan Hy-Vee is proud to present our **Dollars for Scholars** program for the 2019-2020 school year. This program will allow the Manhattan community to turn fuel and grocery purchases into dollars for Manhattan area public and private schools and provide a number of convenient services designed specifically for local schools.

The main component of **Dollars for Scholars** is a receipt collection fundraiser. Your Manhattan Hy-Vee store will donate \$1 for every \$150 of pre-tax receipts collected. A maximum donation of \$2,000 per school can be made for each school in the Manhattan area. Only receipts dated August 1, 2019, through May 1, 2020, from the Manhattan Hy-Vee or the Manhattan Hy-Vee Gas Station will be tallied.

Receipts can be turned in at the Manhattan Hy-Vee in the designated box located under the customer service desk. Simply find the slot for your desired school, and drop in your receipts! It's really that easy!

Additional **Dollars for Scholars** information, programs, and supporting materials can be found in the following pages. We hope that you will consider participating in the Dollars for Scholars program. With the potential for a \$2,000 donation per school, you won't want to let this opportunity go to waste! Below is contact information for the Manhattan Hy-Vee store director. Please don't hesitate to reach out if you have any questions!

Sincerely -
