FLINT HILLS CHRISTIAN SCHOOL BOARD POLICY MANUAL

001 – 099 PURPOSE AND OBJECTIVES

1 Vision Statement (Approved 2/3/14)

Our vision is to partner with Christian families to educate and inspire their children in the desire to love, serve, and honor God as mature Christian leaders to reach the world for Christ.

2 Mission Statement (Approved 2/3/14)

Our mission, as an extension of the Christian home, is to educate in Truth, train in righteousness and fully develop each child in body, mind, and spirit. “Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.” 2 Timothy 2:15 (NIV)

3 Statement of Faith (Approved 9/8/14)

1. We believe the Bible to be the only inspired, infallible, authoritative Word of God. (2 Timothy 3:16, 2 Peter 1:21)
2. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. (Genesis 1:1, Matthew 28:19, John 10:30)
3. We believe in the deity of our Lord Jesus Christ (John 10:33), in His virgin birth (Isaiah 7:14, Matthew 1:23, Luke 1:35), in His sinless life (Hebrews 4:15, 7:26), in His miracles (John 2:11), in His vicarious and atoning death through His shed blood (1 Corinthians 15:3, Ephesians 1:7, Hebrews 2:9), His bodily resurrection (John 11:25, 1 Corinthians 15:4), in His ascension to the right hand of the Father (Mark 16:19), and in His personal return in power and glory (Acts 1:11, Revelation 19:11). That man is redeemed by grace through faith in Christ’s atonement for sin, through the shedding of His blood on the cross.
4. We believe that for the salvation of lost and sinful man, regeneration sovereignly applied by the Holy Spirit and evidenced by a living faith in Christ is absolutely essential. (John 3:15-19, Romans 3:23, 5:8-9, Ephesians 2:8-10, Titus 3:5)
5. We believe that God has created man and that He created them male and female. We also believe that God instituted monogamous marriage between a male and female as the foundation of the family. For this reason, any sexual relationship outside of marriage between one man and one woman is considered sinful and unacceptable to God. (Genesis 2:22-24, Matthew 19:4-6, Hebrews 13:4, 1 Corinthians 7:2)
6. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a Godly life. (Romans 8:13-14, 1 Corinthians 3:16, 6:19-20, Ephesians 4:30, 5:18)
7. We believe in the resurrection of both the eternal saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of eternal loss. (John 5:28-29)
8. We believe in the spiritual unity of believers in our Lord Jesus Christ. (Romans 8:9, 1 Corinthians 2:12-13)

4 Philosophy of Christian Education (Approved 2/3/14)

Flint Hills Christian School is an independent, non-profit, community supported educational facility designed to meet the needs of the Christian community by providing a quality education from a Biblical perspective. We believe it is our responsibility to create an environment that is conducive to learning, as well as to promote Christian values that will extend beyond the classroom walls.

Our mission is to be an extension of the Christian home in an effort to see each child develop in mind, body, and spirit. In this context, we are not a replacement for the home or the church. Our ultimate goal is to equip and prepare well-educated, mature Christian men and women to best fulfill God's calling in their lives.

5 Core Values (Approved 9/14/09)

As a school community we ...

1. Strive to honor God in all we say and do. God's Truth should be integrated into a well-rounded program of academic and extra-curricular activities.
2. Teach and model a Bible-based, Christ-centered world view.
3. Strive for educational excellence.
4. Are committed to providing educational programs that create a learning atmosphere that develops a desire for high achievement and encourages student participation, critical thinking, and problem-solving.
5. Believe that since parents have the primary responsibility for educating their children, parent involvement in school programs and activities is expected. We believe that the benefits of Christian education are enhanced when the entire family is committed and involved.
6. Value each child as a unique creation of God.
7. Provide educational opportunities for diverse learners and strive to meet the individual educational and special needs of each child.
8. Focus on encouraging each student in his/her relationship with Jesus Christ.
9. Practice justice, mercy and peacemaking, resolving conflict in a positive manner using Biblical principles.
10. Are committed to hiring exceptional employees who love and honor God, love children, and are consistent godly role models. Teachers should be called by God to the teaching profession, demonstrate expertise in their academic areas, and have an unselfish spirit of dedication.

11. Seek to honor God in all our financial decisions by being faithful stewards of His resources.

215 Attendance

All employees are expected to arrive on time, ready to work, every day. Full time teachers are to arrive at work 30 minutes before the start of the school day (tardy bell) and not depart prior to 15 minutes after the dismissal bell. Classified staff are to work the hours designated by their supervisors.

Absence is defined as a failure to report for and remain at work as scheduled. This includes arriving late for work and leaving early without prior supervisory approval. Additionally, absences that exceed the permitted number of hours under the personal and sick policies may be considered unexcused absences. If an employee is unable to arrive at work on time, or must be absent for any portion of the day, he/she must directly contact his/her supervisor as soon as possible.

Excessive absenteeism or tardiness will result in disciplinary action up to and including termination.

221 Personal Leave

- A. All full-time teachers are granted fourteen (14) hours of personal leave per year. All half-time teachers are granted seven (7) hours of personal leave per year. All part-time teachers will be granted one (1) day off from classes per semester. Unused personal leave will not carry over to the next year.

223 Sick Leave (Amended 2/12/2019)

- a. Full-time teachers are permitted seventy (70) hours of sick leave per school year. Half-time teachers are permitted thirty-five (35) hours per school year. Sick leave will be proportionally prorated for part-time teachers. Only under extraordinary circumstances will the Board authorize additional paid sick leave during a school year. Unused hours may be carried over to subsequent school years but may not accumulate to more than two hundred ten (210) hours. Sick leave may not be shared with other faculty.
- b. Paid sick leave may be used for personal or immediate family physical sickness, personal mental healthcare, personal or immediate family medical appointments, birth or adoption of a child with the immediate family, and funerals or bereavement of immediate family members. NOTE: "immediate family" is defined as spouse, parents, grandparents, children, grandchildren, siblings, in-laws (mother, father, brother, sister, daughter and son).

224 Maternity Leave

In addition to using any available sick leave, full time employees will be granted 70 hours (or 10 days) of paid maternity leave. Additional leave may be authorized by the administrator.

225 Jury Duty and Court Subpoena Leave (Adopted 12/5/2011)

Jury Duty and Court Subpoenas

Serving on a jury or testifying as a witness when called is a civic duty, and as such is fully recognized and supported by FHCS.

Jury Duty

It is the employee's responsibility to notify FHCS as soon as a formal notice regarding jury duty is received. This will allow the Administrator to make arrangements for substitutes during this time period. Employees scheduled to work while serving on jury duty should return to work after being dismissed by the court.

Court Subpoenas

When an employee is subpoenaed, advance notification should be made to the administrator. Appearances in court under subpoenas and/or out of civic responsibility (such as an eyewitness) will normally be considered excused time with pay.

Time for appearance in court for personal business will be the individual employee's responsibility. Normally, personal days will be used for this purpose.

226 General Leaves of Absence (Adopted 1/2/2012)

An employee may request a general leave of absence without pay that is not covered by personal, sick, professional, jury, or maternity leaves. A written application must be filed in advance with the Administrator stating the reason for the leave and is subject to the Administrator's approval.

A general leave of absence cannot exceed 30 calendar days. However, a leave may be extended for periods up to 30 calendar days upon submission of a new application and approval by the Administrator.

Before a general leave is approved, arrangements must be made to continue the school's benefit programs.

FHCS is under no obligation to grant a general leave. A general leave does not guarantee holding the position open, as the school may find it necessary or beneficial to fill the position in the employee's absence. If an employee does not return to work at the end of an approved leave, he/she will be considered terminated.

If an employee is absent for more than three working days without an approved leave or verifiable illness, the employee will be considered as having voluntarily terminated employment.

Employee Qualified Tuition Remission Plan: Internal Revenue Code Section 117(d) provides that a qualified tuition reduction provided to an employee of an educational institution is excluded from the employee's gross income for federal income tax and employment tax purposes, and Flint Hills Christian School is an educational institution as defined in the IRS Code Section 170(b) (1) (A) (ii). Consequently, FHCS has created a Qualified Tuition Remission Plan under the IRS Code Section 117(d) with the following provisions:

The teacher may request a meeting with the Board to present his/her position.

251 Grievance Procedures – Employees (Revised 11/1/2010)

Purpose

The following procedures outline specific steps to be followed by employees of FHCS in order to insure prompt and equitable resolution of grievances against other school personnel. Employees who believe they have been treated unfairly may initiate the grievance procedures outlined below. As in all matters of faith and life, Holy Scripture guides us. The procedures outlined below attempt to follow the principles of Matthew 18 in dealing with problems. How we deal with conflicts communicates one aspect of our Christian belief to the community. We are motivated by the love of Christ to approach all conflicts as an opportunity to glorify God and honor others.

Grievance procedure:

Step A. Solve at the lowest level

It is the responsibility of the employee, who believes that he/she has been treated unfairly, to initiate face-to-face discussion with the staff member with whom they have a grievance. Most conflicts will be solved privately at this level. If at all possible, such grievances should be addressed within two weeks of the incident that prompted the concern.

It is the responsibility of all staff to promptly and courteously hear all grievances registered in good faith by another employee, to clarify misunderstandings, and to make reasonable adjustments in response concerns that arise. See Romans 12:16.

If a grievance is not settled between the parties within 10 working days, or if the aggrieved employee is not satisfied with the results, he/she may proceed with step B.

Step B. Administrator

The employee shall present the grievance in writing to the school administrator. The

administrator will arrange a meeting with both parties involved. The administrator will then issue a judgment based upon the information received from both parties and an examination of school policies and procedures.

If the grievance is not settled within 10 working days of the presentation of the written grievance, or if the employee is not satisfied with the results, the employee may elect to proceed with step C.

If the employee's complaint is against the administrator, the employee will first visit privately with the administrator, skip Step B, and proceed to Step C if the conflict remains unresolved.

Step C – School Board

The employee shall present the grievance in writing to the chairman of the school board within 20 working days of receiving a written judgment from the school administrator. If the initial grievance was against the administrator, the written grievance should be filed within 20 working days of the original discussion with the administrator. The written grievance must contain sufficient detail to identify and clarify the basis for the grievance. The written grievance should contain the following:

- a. The specific action or incident upon which the grievance is based.
- b. The date the action or incident occurred.
- c. The reasons the employee believes that the action was unfair or unjust, and the specific policy or agreement that was violated (if applicable).
- d. Corrective action sought by the employee.
- e. A brief summary of the employee's attempts to date to resolve the problem, and the results of such actions. Upon receipt of a written grievance, the chairman of the school board will take the following actions:
 - a. Determine whether Steps A and B have been followed. If they have not, the aggrieved party will be re-directed to complete the previous steps.
 - b. Establish and maintain a grievance file which will be the official record of all actions taken during the grievance procedure.
 - c. Establish a Grievance Committee consisting of at least 3 board members.
 - d. Conduct a hearing to examine written evidence and listen to testimony from both parties.
 - e. Examine all school policies and procedures relevant to the grievance.
 - f. Issue a written summary judgment regarding the grievance.

The decision of the board committee will be final.

253 Harassment (Adopted 12/5/2011)

Flint Hills Christian School will not tolerate any form of harassment, including sexual harassment, or any conduct that has the effect of substantially interfering with an employee's or student's performance or creating a pervasive, intimidating, or hostile school environment. See policy 334 for further definitions.

255 Duty Hours for Teachers

Teachers are to be at school thirty (30) minutes before school begins and are free to leave 15 minutes after school ends. Teachers are expected to be available and

attend meetings and conferences outside these hours as needs arise.

257 Termination of Employee Contract (Adopted 5/16/2011)

FHCS may terminate an employee's contract with just cause at any time upon delivery of a written Notice of Termination for Cause to the employee. Just cause includes: incompetence, moral turpitude, failure to fulfill duties, insubordination, and any conduct deemed unbiblical and/or harmful to one's Christian witness.

In such an event, the employee shall have the right to request, in writing, a hearing before the FHCS Board for the purpose of appealing the Notice of Termination for Cause. Said written request for a hearing must be received by the FHCS Administrator within five (5) calendar days of the date of the Notice of Termination for Cause and the hearing before the FHCS Board must be conducted and completed within ten (10) calendar days following the receipt of the request for hearing.

Upon delivery of the Notice of Termination for Cause, the employee shall be immediately suspended from duties. He/she shall receive two (2) weeks' severance pay. Said severance pay shall be determined and calculated under the terms of the employee's contract.

If an employee is successful at an appeal hearing, the employee shall be reinstated on active duty with no loss of salary or benefits, subject to such terms and conditions as may be agreed upon between the employee and FHCS.

An employee's contract may also be terminated due to the school's lack of finances. Employees are aware that FHCS is a faith ministry and that any time funds are unavailable to support the ministry, FHCS may have to terminate a contract if one or more of the following conditions exists:

The school is not opened for the fall term or is discontinued during the school year by action of the FHCS Board.

258 Continuing contracts (Adopted 5/16/2011)

All employee contracts are for a one year term or less. All rights and privileges terminate upon the expiration date of a contract unless voided earlier under provisions of termination. The parties agree that no rights of tenure or presumption of continuous employment are conferred or implied by the contract or by a number of consecutive contracts.

260 Personal Conduct (Amended 1/2/2012)

Flint Hills Christian School is a non-profit religious organization. More importantly, our organization is a community of believers who have joined together to meet the spiritual and academic needs of the greater community. Our organization promotes behavior consistent with the Holy Scriptures. Consequently, when someone joins FHCS' staff, he/she freely and willingly agrees to the standards of behavior outlined in this policy and the Board Policy Manual. The standards included in this policy are not exhaustive; rather, they provide a guideline of conduct we believe is in accordance with Biblical standards.

As representatives of FHCS, it is imperative that our actions are above reproach in all things.

Consequently, the following standards of conduct shall apply to all employees. Violations of these standards are regarded as a serious breach of integrity and could result in administrative discipline, up to and including termination.

- God’s Word teaches us that certain attributes are desired, including: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control (Galatians 5:22-24). These attributes are to be sought, encouraged, and demonstrated in our relationships.
- Scripture further teaches us that certain behaviors should be avoided, including: theft, lying, dishonesty, gossip, slander, backbiting, profanity, vulgarity, sexual promiscuity (including adultery, homosexual behavior, and premarital sex), drunkenness, and immodesty of dress.
- FHCS recognizes the danger to one’s physical and psychological wellbeing in the use of certain products. Therefore, employees are to refrain from the use of tobacco in any form, hallucinogenic drugs and substances, narcotics not authorized by a physician and the overindulgence of alcoholic products.
- Any kind of demeaning gesture, physical, sexual or electronic harassment, threat of violence, or physical attack directed toward another person will not be tolerated.
- Employees are encouraged to be selective in their choices of entertainment and recreation. The use, possession, or distribution of pornographic materials is prohibited.
- Employees shall avoid any other conduct that violates scriptural mandates.

270 – 299 TEACHER DUTIES AND RESPONSIBILITIES

272 - Lesson Plans

Writing lesson plans is an important part of a teacher’s weekly preparation. Each teacher will write lessons plans as directed by the Administrator. Teachers are expected to complete lesson plans for each class/subject prior to the start of each school week. K-4 through 6th grade teachers must supply the office with a daily schedule so office personnel will know when each class has recess, art, music, lunch, etc. This needs to be separate from the lesson plan.

273 Homework

The general policy is to avoid assigning homework that will interfere with church activities on Wednesday nights. Homework time guidelines for students are:

Primary	15-30 minutes/night	Junior-high	60-90 minutes
Intermediate	30-60 minutes	High school	60-120 minutes

To the extent possible, secondary teachers should avoid scheduling more than two tests for any student on the same day. Homework assignments should be available electronically for parents and students.

274 Student Records

The following records will be filed and maintained in the school office:

- | | |
|------------------------------|------------------------------------|
| A. Application for Admission | F. Attendance Record |
| B. Medical History | G. Hearing and Vision Test Results |
| C. Physician’s Report | H. Records from Previous School(s) |

D. Immunization Record
E. Achievement Testing Profiles

Daily attendance records and daily grades should be maintained by teachers. Student records may be released to parents by the main office.

Records are to be consolidated at the end of each school year and a determination made by the administration as to what information should be added to the student's cumulative record. Early in the school year, teachers are to review the students' records to see if special needs exist (i.e., impaired vision, hearing, food allergies, need for special medication, limited physical stamina, I.E.P.).

276 Release of Confidential Information

Consistent with statutory and common law, neither teachers, administrators, nor staff may release confidential information concerning students to anyone who is unauthorized to receive such information. Requests for student information should be referred to the Administrator.

277 Classroom Environment

The teacher is responsible for the appearance of the classroom including cleaning of the room. Although limited custodial service is provided, students are expected to help with light housekeeping duties.

279 Appropriate Use of materials (Adopted 12/6/2010)

All faculty and staff will abide by federal copyright laws. A summary of the laws will be posted for faculty and staff in the workroom or lounge.

280 Classroom Conduct (Amended 12/6/2010)

Teachers are responsible for student control within the classroom. The classroom environment should be characterized by order and courteous behavior. Control procedures and discipline should reflect adherence to Biblical principles of child training and should be implemented with appropriate parental involvement and notification. Each teacher must have a written classroom management/behavior policy subject to administrative approval that identifies behaviors and consequences and that is communicated to students and parents.

281 Supervision of Students (Amended 9/5/2011)

Teachers are responsible for the supervision of students during school hours, at scheduled activities (home and away), and when students are on school property waiting to go home. At the elementary level, when students move as a class from one area of the school to another, they should be escorted the entire distance by their teacher. The teacher is released from his/her supervisory duty only when he/she is assured that the receiving teacher has assumed supervision of her class.

Special care should be taken to ensure the safety of all students in the event of fire, tornado, or

other natural disaster. Teachers should be familiar with FHCS emergency plans. Students are not permitted to utilize cooking facilities on campus without an adult being present. The only exception is for secondary students heating their lunches in microwaves in the main kitchen subject to administrative rules or high school students assisting with microwaves and/or crock pots in the concession area prior to and after school game or activity.

No student under the age of 18 is to access the school attic without being accompanied by a school employee or adult volunteer.

282 Lightning and Thunder (Adopted 3/13/2017)

1. When thunder is heard or cloud-to-ground lightning is seen, the storm is close enough to pose a lightning risk. Suspend all outdoor activity (sports practice, recess, or any other outdoor activity) and take shelter immediately.
2. Once activity or play has been suspended, wait at least 30 minutes from the last sound of thunder or lightning strike witnessed before resuming activity.
3. Any subsequent thunder or lightning strike during the 30-minute waiting period resets the clock, and a new 30-minute waiting period begins.

If you are outside at recess and there is thunder or lightning, please report to the main office when you bring children inside so we can let other teachers know when the 30-minute period started or will end.

283 Sexual Harassment and Abuse (See also Board Policy #334)

Reporting suspected sexual or physical abuse is required of all staff and faculty under the laws of the state of Kansas. Reports must be made to the administrator AND the appropriate legal authorities.

284 Recess Procedures

- A. Students may not be left unattended. A teacher must accompany and supervise students during all recess periods.
- B. The teacher on recess duty must be able to see all play areas, giving her full attention to students.
- C. Recesses will be fifteen (15) minutes in length.
- D. In case of inclement weather, teachers are responsible for their own classes or may combine classes in the gym or hallway so long as supervision and lines of sight are adequate.
- E. Playground rules will be modified as needed and given to teachers.
- F. If the wind chill or real temperature is below 20 degrees, recess will be held indoors.

287 Field Trips

Educationally significant field trips are encouraged during the school year. Notes giving details of a trip will be sent home. Every effort will be made to keep the cost per child to \$5.00 or less. A permission slip and an emergency medical treatment form are to be filled out before school begins. Your child may not go on a field trip unless these forms are on file in the

office.

Secondary students may drive themselves on in-town field trips with special permission. Teachers are expected to recruit parent drivers. (See Section IV, Article XX - Transportation) Parent drivers must check with the teacher to determine if it is appropriate for siblings to accompany the students on the field trip.

288 Instructional Films

Films with a "G" rating may be shown to students without parental permission. Administrative and parental permission must be obtained for students to see a film with a higher rating.

289 Study Halls

The Administrator, in consultation with secondary faculty, will establish study hall rules and procedures.

290 Classroom Visitation

Parents are always welcome to visit the school. Pre-school age children and school age guests are not permitted to visit classes without the prior approval of the teachers and the Administrator. As a matter of courtesy, parents who wish to visit a classroom should make arrangements with the teacher in advance of the visit. Upon arrival at school, parents or visitors must first come to the office, sign in, and obtain a visitor's pass.

292 Faculty Dress and Conduct

All teachers are expected to dress neatly, modestly and in a professional manner. Dress at school events must, at a minimum, also conform to the student dress code. The last school day of the week is "jeans day", permitting more casual dress.

Teachers are to be examples to the students. This modeling influence applies both to on and off-campus activities. Care must be taken to insure that life activities away from the school environment do not bring reproach to the teacher or to FHCS.

294 Building Keys

Each teacher will be issued keys that are needed for the performance of daily activities. Keys that are not often needed can be obtained in the main office for temporary use. Keys must never be duplicated without permission of the Administrator. Lending of keys to a student for more than a momentary errand is not permitted. In the event a key is lost or stolen, the Administrator shall be notified immediately so that replacement keys can be found and/or necessary security arrangements can be made.

Employees may not engage with students in social media, including but not limited to, messaging, friending, or following or other means that could be considered personal by the student or the family.

Guidelines

- Employees should keep in mind that electronic messages, depending on their format, can be readily printed, viewed, listened to, or forwarded to other users. Electronic messages may also be mistakenly addressed and sent to the wrong person.
- A request to investigate any possible violation must be filed with the Administrator. The Administrator will then direct the investigation of complaints.
- In the event of a teacher leaving the school, teacher-created materials and plans for use in the teacher's classroom may be taken by the teacher to his/her next teaching assignment, remaining the property of the teacher.

- While all electronic communications remain the property of FHCS, the school is not responsible for inappropriate or illegal communications or electronics use by its employees.

300-399 STUDENT POLICIES

300 Enrollment

The Administrator will establish procedures and policies for the enrollment and re-enrollment of students

301 Enrollment Requirements

For a student to be accepted at FHCS, the following minimum requirements must be met:

1. One or both parents must provide a written Statement of Faith in Jesus Christ.
2. The family must be actively involved in a local Christian church. If new to the area, the family will provide a history of past church involvement. Current pastor and other references may be contacted.
3. Parent(s) must express a desire for Christian education.
4. The potential student does not exhibit a pattern of significant behavioral problems.
5. The potential student in grades 7-12 must express a willingness to be in the school.
6. Parent(s) must be in agreement with the foundational documents of Flint Hills Christian School. (see Purpose and Objectives, 001-099 of this manual)

NOTE: The board determined that it would not knowingly admit a child from a same sex relationship. Rationale is based on current policy, an understanding of Biblical principles, regarding such relationships and also the fact that under current state laws, same sex marriage is not legal.

If all of the requirements listed above are not met, a student may be admitted on a conditional basis if the administrator recommends admission. The conditional terms of admission will be presented in writing to the parents and placed in the student's record.

301.4 Academic Probation (Adopted 7/18/2011)

Current junior and senior high students who fail to earn a 2.0 or higher GPA for any semester will be placed on academic probation for the next semester. A probationary contract will be drawn up and signed by the parents and student. Reasonable special help or tutoring will be provided as available. Failure to achieve a 2.0 GPA or higher at the end of the probation semester will result in termination of enrollment unless special circumstances exist as determined by the Administrator.

302 Non-Discrimination Policy (Amended 3/9/2015)

Flint Hills Christian School admits students whose parents meet the requirements stated in Policy 301. It does not discriminate on the basis of race, color, or national and ethnic origin in the administration of its educational policies, admission policies, scholarship programs, or in athletic and other programs.

302.5 Enrollment of Special Needs Students (Adopted 7/20/2011)

Flint Hills Christian School is not equipped to accommodate the special needs of all children. After review of a student's particular needs and approval of the Administrator and teacher(s), students with exceptional physical, medical, cognitive, language, or emotional needs may be accepted. Special needs students will be monitored and re-evaluated periodically.

303 Kindergarten and K-4 Entrance Requirements

Students entering Kindergarten or the K-4 program must meet the following requirements:

1. Proof of a recent physical examination by a doctor or the health department.
2. An up-to-date immunization record. If the required immunizations have not been received, we must have a statement signed by the parent stating that the child has not been immunized and or tested for tuberculosis because of a religious conviction or other objection to immunizations/testing.
3. A copy of the child's birth certificate.
4. FHCS requires that a child must be 5 years of age by August 31 before enrolling in kindergarten or 4 years age for K-4 enrollment. This policy may be waived by the Administrator after consultation with the kindergarten teacher and testing of the child.
5. The student will be screened or tested by the FHCS staff to determine whether the school can meet the child's needs and whether the child is ready for the K or K-4 programs.

304 School Fees (Amended on 7/18/11)

The board will annually review and approve the fee structure for students at FHCS including tuition, registration, curriculum, and athletic fees. Curriculum fees and tuition may be prorated by the administrator for students who enroll after the school year has started or whose family moves from the area during the school year.

Tuition payments are due on the first of each month and late on the 11th of the month. The office may assess a reasonable fee for late payments. Families who are delinquent in their fees and who have not made other arrangements with the office may have their students un-enrolled from the school.

304.5 Referral Credit (Adopted 12/10/2018)

Effective January 1, 2019, FHCS is beginning a New Family Referral Tuition Credit Program, hereinafter "Program".

A Current FHCS Family can earn tuition credits of up to **Eight Hundred Dollars (\$800)** for each New Family who is referred as per the Terms and Definitions stated below.

Terms & Definitions

- FHCS: Flint Hills Christian School, Manhattan KS
- New Family: A family who has never previously had a child or grandchild who attended FHCS
- Current FHCS Family: A family who currently has a child or grandchild who attends FHCS

- Each New Family Tuition Credit will be applied in two Four Hundred (\$400) installments to the Current FHCS Family’s account:
 - If the New Family has a child who begins attending FHCS at the start of the school year (August), the first \$400 credit will be applied on the following October 1st, and the second \$400 credit will be applied on the following March 1st.
 - If the New Family has a child who begins attending FHCS at a date (month) other than the start of the school year (August), the first \$400 credit will be applied on the 1st day of the 2nd month after the month the child first attends school. The second \$400 credit will be applied on the 1st day of the 7th month after the month the child first attends school.
- For a New Family who enrolls in K4 and pays the K4 tuition
 - Each New Family Tuition Credit will be applied in two Two-Hundred (\$200) installments to the Current FHCS Family’s account:
 - If the New Family has a child who begins attending FHCS at the start of the school year (August), the first \$200 credit will be applied on the following October 1st, and the second \$200 credit will be applied on the following March 1st.
 - If the New Family has a child who begins attending FHCS at a date (month) other than the start of the school year (August), the first \$200 credit will be applied on the 1st day of the 2nd month after the month the child first attends school. The second \$200 credit will be applied on the 1st day of the 7th month after the month the child first attends school.
- In order for the Current FHCS Family to be eligible for tuition credits, the New Family must remain up-to-date with tuition payments, and remain in good standing with the school. The New Family must be paying full tuition.
- There is **no limit** to the number of \$800 tuition credits that can be received by a Current FHCS Family. See “Example” below.
- Tuition Credits can NOT be redeemed for cash. The credits may only be applied to the account of the Current FHCS Family who made the referral and received the credit. A family is NOT allowed to have another family’s account balance applied to their account. If the Current FHCS Family stops attending FHCS, any unused credits are forfeited.
- The New Family(s) will need to indicate on the application if a Current FHCS Family has referred them and the referring family’s name. The New Family cannot list more than one family as the referring family for referral credit purposes.
- The Current FHCS Family is eligible for one \$800 New Family Referral Tuition Credit (received in two installments) per each New Family referral that meets the eligibility guidelines as outlined in this “Program”, regardless of the number of students enrolled by the New Family. This is a per New Family credit, NOT a per student of New Family credit.
- This “Program” replaces any and all previous student/family referral incentives that may currently exist.

Example: Assume a Current FHCS Family refers 5 New Families over the course of the year: The Current FHCS Family could receive \$4,000 (\$800 x 5) of tuition credit from the “Program”

“Program” Oversight, Interpretation and Dispute Resolution

- The FHCS Board of Directors:

- Have complete and sole authority to alter the terms or discontinue the “Program” at any time.
- Have complete and sole authority to settle all questions, disputes and disagreements regarding the “Program.”
- Will reassess the “Program” annually.

305 Curriculum Fee (prev. #426 3/10/11, Amended 12/12/2016)

An annual curriculum fee will be assessed on all FHCS students. The curriculum fee helps pay for textbooks, technology, classroom supplies, testing, etc. This fee shall be divided up on a monthly basis and combined with monthly tuition payments due.

305.5 Past Due Accounts Approved 4/8/2019)

When a family’s account is past due, the following steps will be taken at the time the account reaches the stated number of days (or date range) past due:

Days Overdue Action Taken

- 10 Days: Email/Text Reminder
- 20 Days: Phone call from FHCS staff
- 30 Days: \$30 Late Fee is assessed. Additional \$30 Late Fees will be assessed once a month thereafter on approximate 30-day intervals.
- 45 to 60 Days: There will be an in-person meeting between one or more family members and one or more FHCS staff members. During the meeting, one of the objectives will be to obtain a written and signed payment plan, and to obtain a written and signed explanation of why the payments are late. In both cases, the document should be signed by at least one family member and at least one FHCS staff member.

After 60 Days: The account may be turned over to a collection agency

For all the time frames listed above, keep a record of the date texted/emailed/called/meeting. If any of the above actions are not performed for a given family, keep a written note of why an exception was made.

During each contact, an effort should be made to:

1. Obtain explanation of why the payment is late
2. Request the date and amount of next payment

General Guidelines for Administrator and anyone involved in addressing past due accounts:

- 1) The Administrator has the authority to unenroll student(s) and withhold grades
- 2) If it appears a family is not making a genuine effort to pay their amount owed and has a significant balance at the end of a given semester then:
 - a. There should be a stern warning and a required response by a set time, or the family may not be allowed to enroll for the next semester. An example of “set time” may be August 1st and December 30th
 - b. Grades may be held until the balance is paid and the family is back in good standing.
- 3) If a family leaves the school for whatever reason, grades may be held until any back tuition or fees are paid in full.

In all matters dealing with past due accounts, the Administrator has the freedom to extend grace to modify the above guidelines on a family by family basis at the Administrator's discretion.

306 Textbook Rentals (prev. #427 3/10/11)

Students will be responsible for books lost or damaged beyond reasonable wear and tear and will be expected to pay the replacement value of lost or damaged books.

307 Financial Assistance (prev. #305 3/10/11, Amended 1/11/2016)

Financial aid applications may be obtained through the school office. Scholarships will be awarded by a board appointed committee. Scholarship amounts will typically range from 5 – 40%. Any financial aid offered a family beyond the established formula (hardship consideration award) must be pre-approved by the board.

The board will periodically review and update the financial aid formula.

A tuition discount is available for families with four or more students enrolled at Flint Hills Christian School. To be eligible, at least three of the students must be enrolled full-time. For families with four students enrolled, tuition will be calculated for each child in the family and the total tuition will be reduced by waiving the tuition for the child that generates the smallest tuition assessment. For families with more than four students enrolled, tuition will be calculated for each child and the total tuition assessment for the family will be discounted 25%.

Discounts such as multiple and pastoral cannot be “stacked”.

308 Parent Orientation and Involvement (prev. #306 3/10/11) (Revised 11/12/2018, effective 8/1/2019)

Flint Hills Christian School assumes that parents will be actively involved in the education of their children. Therefore, the following is expected of all Flint Hills Christian School parents:

1. Attendance at the annual “Back-to-School Night”.
2. A thorough reading of the Parent/Student Handbook.
3. Consistent, timely payment of tuition and other fees.
4. Regular attendance at a Bible-believing church of the parents' choice.
5. Participation in major school fundraisers.
6. Attendance at Parent-Teacher Conferences.
7. Either provide the minimum number of required service hours to the school* **or** serve 20% of the required service hours** and then buy-out the remaining hours at the rate of \$20 per hour.***

* Minimum number of required service hours per fiscal year (June 1-July 30):

- a. Household of K4 student - 10 hours of approved service
- b. Single parent household of full-time student - 15 hours of approved service
- c. Dual parent household of full-time student - 30 hours of approved service

** Twenty-percent of the required service hours per fiscal year (June 1-July 30):

- a. Household of K4 student - 2 hours of approved service
- b. Single parent household of full-time student- 3 hours of approved service

c. Dual parent household of full-time student - 6 hours of approved service

*** This contribution would not be considered a tax-deductible donation, since it is in place to help reduce tuition.

309 Home-School Students (prev. #307 Amended 3/10/11)

Students who receive their primary instruction in the home are welcome to participate in classes and activities at FHCS.

Areas of Involvement

1. Services — Individual student pictures, PLAN/PSAT and standardized testing, hearing/vision screening,
2. Extra-curricular activities — Athletics, band, choir, spring play.
3. Enrollment in any class on the elementary or secondary level.
4. Home-school students will be allowed to participate in field trips and class parties with prior notification to the teacher, as long as they are enrolled. If they participate in field trips, their parents will be encouraged to drive.

Enrollment Process

New home school students must go through the same process as regular students. They must also have the approval of the teacher or coach who will be involved with the student on a regular basis.

Home-School Participation in Athletics

1. Home-school athletes must meet academic requirements adhered to by full time students (see Academic Eligibility). Recognizing that home-school students may be graded differently, parents will be asked to sign a statement affirming that their student(s) are progressing at a rate comparable to FHCS students. Such a statement needs to be signed and given to the Athletic Director every four (4) weeks. If there is difficulty and the student is declared ineligible, then the parents will be asked to sign a statement every two (2) weeks.
2. Full time students will be given priority for filling team rosters. The Athletic Director and coaches will determine team sizes for each sport. Once we know how many full time students are participating in a sport and we determine how many teams and how many positions are left unfilled, we will open registration to home-school students. A deadline will be set for receiving applications. After that date, we will prioritize applications as follows:
 - A. Number of years of positive involvement with Flint Hills Christian School.
 - B. Number of other classes currently being taken in the school.
 - C. Siblings currently or previously taking classes in the school.
 - D. First-time applicants.
3. Home-school athletes, while they are participating on an FHCS athletic team, may not practice with or play for any other teams during that season. We hold full time students to

the same requirements to assure that student athletes are giving 100% of their effort to the team.

4. The athlete shall follow all regulations outlined in the FHCS Parent/Student Handbook during the season(s) in which he/she participates (dress code, conduct, etc.). Students will be disciplined in a similar manner to regular students. The athlete is required to complete a student contract prior to participation.
5. Once students are accepted on a team, all team members will have equal status. Playing time will be earned according to the coach's guidelines.

Home-School Fees and Requirements - Current fee information is available from the school office.

310 Attendance Policy

Punctual and regular attendance is expected of all students.

311 Excused Absences or Tardies

The following types of absences or tardies are typically excused:

1. Personal illness, injury, or doctor appointments that cannot be scheduled after school hours.
2. Death in the family.
3. Absences with prior approval from the office (unless listed under Unexcused Absences).
4. Bad road conditions.

An absence or tardy may be excused by a phone call or note from a parent within 24 hours of the initial absence. Failure to call or send a note will result in an unexcused absence. The determination as to whether an absence or tardy is excused or unexcused resides with the Administrator.

312 Unexcused Absences or Tardies

Absences for shopping, haircuts, baby-sitting, needed-at-home, etc., will typically be unexcused. If a student accumulates three unexcused absences, a parent conference may be scheduled.

For secondary students, three unexcused tardies in any class in a quarter will be counted as an unexcused absence.

313 Chronic Absences

A junior high or senior high student may not receive credit for a course if he/she has missed a class more than ten (10) times (excused or unexcused) during a semester. A conference will be held with the parents and student when ten (10) absences have occurred. Exceptions may be made in cases of prolonged illness. A doctor's verification of illness may be required and the Administrator will determine whether such an exception exists.

314 Classroom Tardiness (Amended 8/13/2012)

Each student is expected to be in the classroom when the period begins. All students must come to class fully prepared with the materials needed for class. It is important that students always be on time to school and to class. Each student is expected to be in the classroom when the period begins. All students must come to class fully prepared with the materials needed for class. The student is considered tardy if he/she arrives after the scheduled time for class to begin.

Students who have more than 5 unexcused tardies in a quarter will be assigned a detention. If a student accumulates 10 unexcused tardies, he/she will receive 2 detentions and a meeting will be held with the student and his/her parents to work to resolve the problem.

A tardy is unexcused if no explanation is given or if the reason given is unacceptable. Being late because the student overslept, missed a ride, or was using the restroom are examples of unexcused tardies. A student who arrives to class late without a slip will automatically be given an unexcused tardy.

315 Student Leave

Families are encouraged to schedule family vacations and other events during times when school is not in session. In the event that a student will miss school due to a scheduled trip or family gathering, the student is to complete and return an Application for Student Leave prior to the absence.

316 Early Dismissal

FHCS discourages students leaving school early. Parents should try to schedule appointments after school hours. When possible, the office should be notified in advance of an early dismissal. No student will have permission to leave unless accompanied by a parent or guardian. (An exception is made for high school students who have their own transportation.) Parents should notify the office if someone else will be picking up their child. All students must sign out before leaving the building during school hours.

317 Make-up Work

Credit given for late daily work, projects or tests will be at the discretion of teachers. Work missed for excused absences will be given full credit if completed within a reasonable time frame. Credit given for work missed due to unexcused absences will be at the teachers' discretion. In both cases, teachers will determine how much time the student is allowed to make up missed homework.

318 Truancy

Truancy is defined as an absence without the knowledge and consent of parents and/or the school staff. This includes leaving school without permission before the end of the day or staying out of any scheduled class without permission. Make-up work will be given upon return and credit given at the teacher's discretion.

330 Code of Behavior

All students are subject to the authority of all staff member at all time on the school grounds during the school day and during school functions. Students will be courteous and respectful to teachers, aides, secretaries, fellow students and visitors at all times.

331 Student Contract

A student contract is required for all students in grades 7-12. The contract will be available prior to the start of school. The completed contract is due in the Administrator's office by the end of the first full week of school. Students who fail to meet the deadline may be excluded from classes or activities until the contract is submitted.

332 Inappropriate Behaviors Defined (Amended 6/10/2019)

The intent of discipline should be to help the student "change course." With this in mind, faculty, staff, and students should place a priority on biblical peacemaking when a conflict or rule violation occurs.

The lists of infractions below are not considered to be exhaustive. The administration and board reserve the right to modify disciplinary policies and procedures to adapt to changes/trends in the culture and to respond to disciplinary problems not addressed in board policy or the Parent/Student handbook.

Category 1 - The following list of behaviors at school are often considered as minor misbehaviors that may result in a verbal warning from a faculty or staff member or limited disciplinary action such as the loss of a privilege, a detention, missed recess time, restitution, a changing of clothes, and/or communication with a parent. Repeated violations by a student or a deliberate (defiant) violation of any rule may result in a more serious disciplinary response.

- Inappropriate language (e.g. racist comments, sexual jokes or innuendos, vulgar or profane language, disrespectful comments)

- Chewing gum in an inappropriate place or at an inappropriate time

- Running in the building

- Excessive or disruptive talking

- Littering

- Being out of a defined supervised area without permission

- Unauthorized food or beverage consumption

- Dress code violations

- Possession or use of restricted materials (e.g.

 - Elementary students with electronics

 - Secondary students using electronic devices during the day w/o permission)

- Repeated tardies

- Horseplay not resulting in injury or property damage

- Any minor disruption of the learning environment

Category 2 - The following list of behaviors are considered to be of a more serious nature and will likely result in detention, in-school suspension, out-of-school suspension, Saturday School, loss of the privilege of participating in extra-curricular activities or recess, restitution, communication with parents, and/or a work detail. Repeated violations may result in a more serious disciplinary response.

Physical, verbal, or cyber bullying, threats, or fighting at school or in the community
Disrespect towards authority figures Leaving school without permission Use of profanity
Unexcused absences, truancies
Vandalism (deliberate)
Horseplay resulting in injury or property damage.
Repeated behavior that disrupts the learning environment Misuse of the internet
Inappropriate physical displays of affection

Category 3 - The following list of behaviors are considered to be very serious whether occurring in the school or the community. Possible disciplinary measures include any/all the items listed above in category #2 as well as possible expulsion from school.

Possession or consumption of alcohol or illegal drugs.
Sexual misconduct including sexual harassment, sexting, etc.
Repeated fighting Threats of bodily harm.
Illegal possession of a weapon.
Fighting resulting in bodily harm.
Significant damage to property.
Repeated defiant behavior of any type.
Entrance into the restroom or locker room of the opposite biological sex.
Intentional attempt(s) to present oneself as being a member of the opposite sex through dress, use of pronouns, or other means.

The final determination of the disciplinary response to a student's behavior is at the discretion of the Administrator in consultation with the faculty.

333 Boy/Girl Relations

FHCS provides opportunities for boys and girls to cultivate friendships with the opposite sex. Any such friendship must be handled in a responsible manner. Public displays of affection on campus or at school sponsored activities, such as holding hands or other physical intimacies, are considered inappropriate at school.

334 Sexual Harassment

Sexual harassment (SH) is any unwanted verbal, written, or physical conduct of a sexual nature that interferes with a student's right to learn, study, work, achieve or participate in a comfortable and supportive atmosphere. Sexual harassment may include, but is not limited to, the following:

- Leering at someone else's body
- Making comments, gestures, or jokes of a sexual nature
- Manipulating clothing in a sexual manner
- Displaying sexual objects or pictures
- Spreading sexual rumors or commenting about sexual behavior
- Repeatedly pressuring for dates or unwanted sexual activity
- Inappropriate touching
- Teasing and or bullying in sexual terms
- Asking for sexual favors in exchange for grades, promotions, or participating in

- school activities.
- Sexting or the use of any electronic device for the conveyance of sexual images or comments.

Note that some of the behaviors listed above might also be categorized as sexual abuse depending upon the level of severity, frequency, or the existence of a power imbalance between the persons involved.

FHCS will not tolerate any form of SH by students or staff. The school recognizes the student's right to participate in school programs and activities in an atmosphere free of any form of SH. Students have the moral responsibility to not engage in conduct that is unwelcome or offensive to others or contrary to Scripture.

SH committed by students or staff of either sex against students or staff of either sex constitutes inappropriate conduct. Any student or staff member has the right to file a complaint regarding an alleged incident of SH that has occurred. Complaints should be filed in writing with the FHCS administrator. If the complaint is against the administrator, a report should be filed in writing with the school board president.

Students are encouraged to report harassment that they experience or witness. Any staff or faculty member who receives a SH complaint should report it immediately to the FHCS administrator.

All complaints will be handled promptly and in a manner appropriate to significant disciplinary infractions. While an isolated incident may not constitute SH, FHCS is responsible for providing appropriate interventions and or disciplinary measures to eliminate SH in the school community.

Every reasonable effort will be made to maintain confidentiality during an investigation. Retaliatory action against a complainant or any witness who participates in an investigation will not be tolerated.

335 Off-Campus Conduct Policy

Flint Hills Christian School believes that a person's relationship with Christ should affect his/her conduct both on and off campus. Students should practice a lifestyle that reflects Biblical principles and Christ-likeness. Students may be held responsible for behavior occurring off-campus that violates this standard. Generally, the school will respond to inappropriate behaviors which occur during the school year. However, FHCS reserves the right to review out of school year behaviors to determine eligibility for enrollment and participation in extracurricular activities.

Examples of off-campus behavior that may lead to disciplinary action include: sexually inappropriate behavior, on-line gossip affecting the school community, substance abuse, breaking of civil and/or criminal laws, and obscene, profane, and abusive language.

Infractions which occur off-campus may require a meeting between the student(s) involved and the Administrator. The Administrator will notify the parents concerning any significant disciplinary action before action is carried out.

337 Appropriate Use of Materials (Adopted 12/6/2010)

Secondary students, on an annual basis, will be instructed in their English classes regarding:

1. pertinent portions of federal copyright laws,

2. the definition of plagiarism and how it applies in a school setting,
3. evaluating the reliability of Internet sources, and
4. the attribution of sources.

Students who violate copyright laws or engage in plagiarism will be subject to disciplinary action.

340 In-School Suspension (ISS)

As a disciplinary response to inappropriate behavior, the Administrator may send students to a study/detention area away from the classroom. Students may receive ISS with no notice if the Administrator thinks that it is necessary. Students will be allowed to work on schoolwork or extra assignments given by teachers or office personnel. Credit for assignments completed in ISS will be given at the teacher and/or administrator's discretion. A teacher may be assigned to a student, and parents may be assessed the cost of hiring a substitute teacher for the day. Efforts will be made to notify parents before a suspension.

341 Out-of-School Suspension (OSS)

Students in OSS are not permitted to participate in or be present for any class or school activity. The Administrator may assign an OSS for up to 3 days. Long-term suspensions and expulsions require school board action. Specific changes in attitude and/or actions will be expected prior to re-admission.

342 Saturday School

Students may be assigned to Saturday School sessions as a form of discipline. Saturday School activities will be assigned to a student at the discretion of the Administrator.

343 Expulsion

Expulsion will be recommended by the administration to the board if it becomes apparent that the school will not be able to meet the needs of a student or if the student's behavior is preventing effective classroom instruction. Expulsion may also be recommended for unresolved academic or disciplinary problems or for failure to correct the deficiencies specified in probationary admissions. When expulsion is recommended, a date of withdrawal from the school will be set and the withdrawal procedure followed. Expulsion is for a minimum of 12 months and requires School Board approval.

345 Appeal Process

The appeal process is for students receiving disciplinary actions taken by the administration for major infractions (categories 2 and 3 above) and may include infractions of the Off-Campus Conduct Policy. If the student and his/her parents disagree with the disciplinary action, they may appeal to the School Board within three days of being notified of the disciplinary action. The appeal of a disciplinary action must be in writing, dated and include signatures of the parents and the student. The president of the Board has the responsibility to schedule an appeal meeting date and time. The Board reserves the right to set the appeal meeting's agenda and parameters including the individuals who will be present at the meeting. The decision of

the Board to either uphold or overturn the disciplinary action taken by the Administrator will be final.

If the board overturns the disciplinary action, the student will be given the opportunity to make up all work missed. All indications of the disciplinary action will be removed from the student's permanent record.

350 Electronics Policy (Amended 12/11/2017)

Elementary students are not to bring electronic toys, communication devices, cameras, etc. to school without express approval from his/her teacher for use in the classroom. Electronics are not to be used during recess periods or before or after school on campus.

Student use of cell phones and other personal devices during school time should be limited to educational purposes and essential communication only. (Essential communication would include time sensitive correspondence between parent and child regarding pick-up or drop-off, change in schedule, exchange of emergency related information; student contacting a counselor or mental health professional as part of an arranged program for students experiencing unusual distress; and other similar circumstances. Essential communication is not something related to everyday occurrences or something that can easily wait until after school.)

Teachers will have a basket, box or other container in their room where students will be required to deposit their phone upon entering the classroom. They may be picked up at the end of the class period.

At break time and lunch time students may use their phone for essential communication (see above) but may not use them for watching videos, taking pictures, listening to music or non-essential communication. Students are encouraged to use these times for face-to-face relationship building.

Personal laptops and tablet devices, as well as school computers, can only be used for educational purposes during the school day. Students may not play games, listen to music, instant message or otherwise use these devices during school time for non-educational purposes.

Devices used inappropriately will be confiscated by the teacher and turned in to the office. The student will have to see Mr. McDonald to get the device back at the end of the day. The office will email or text the parent to let them know that their child's phone was taken.

Bringing electronic devices on campus is a privilege and not a right. Consistent abuse of devices during school time may result in requiring the student to leave his/her device at home, in their car or at the school office during the school day. Repeat infractions will be considered rebellious and insubordinate behavior and be subject to the appropriate discipline as outlined in our handbook.

*As much as possible, parents should contact the office when needing to get an urgent message to their child.

Teacher Use of Cell Phones and Other Personal or School Issued Devices

Teacher use of cell phones, school computers and personal devices when having students under their supervision should follow the same guidelines as students.

351 Food Policy

Students are not to consume food or drinks during the school day except during special classroom events, before school, during morning breaks (secondary), at lunch, after school, or at the discretion of a teacher in his/her classroom.

352 Damage to School Property

It is expected that all damage, even if accidental, will be acknowledged by the person(s) involved and that a plan for reimbursement will be made.

353 Dress Code (Amended 9/10/2012)

They are subject to review and approval by the school board once a year prior to the publishing of handbooks.

354 Dress Code for Extra-Curricular Events

Students may be asked by their coaches and activity sponsors to dress up on game/activity days or for specific events. This includes activities in the community and at other schools. Students attending at home and away games/activities will abide by the FHCS dress code.

355 Closed Campus (Amended 12/2/2013)

Full time students are not permitted to leave campus during the day, including over the lunch hour, without permission from their parents and the school office. Once they arrive at school (for classes or before-school activities) they are to remain on campus until dismissed to leave for the day.

NOTE: Secondary students may leave campus for lunch or other activities with the approval of the students, parents, and also the school administration. The Administrator is charged with determining any guidelines that need to be established for administrative approval.

356 After School (Loitering) (Adopted 8/10/2015)

Loitering on or near school grounds is not permitted by either current or former students as well as other individuals. 360 Grievance Procedure – Students or Parents (Adopted 11/1/2010)

Purpose

The following procedures outline specific steps to be followed by students or parents of FHCS in order to insure prompt and equitable resolution of grievances against school personnel. Students or parents who believe they have been treated unfairly may initiate the grievance procedures outlined below.

As in all matters of faith and life, Holy Scripture guides us. The procedures outlined below attempt to follow the principles of Matthew 18 in dealing with problems. How we deal with conflicts communicates one aspect of our Christian belief to the community. We are motivated by the love of Christ to approach all conflicts as an opportunity to glorify God and honor others.

Grievance procedure

Step A. Solve at the lowest level

It is the responsibility of a student or parent, who believes that he/she has been treated unfairly, to initiate face-to-face discussion with the staff member with whom they have a grievance. Most conflicts will be solved privately at this level. If at all possible, such grievances should be addressed within two weeks of the incident that prompted the concern.

It is the responsibility of all staff to promptly and courteously hear all grievances registered in good faith by a student or parent, to clarify misunderstandings, and to make reasonable

adjustments in response concerns that arise. See Romans 12:16.

If a grievance is not settled between the parties within 10 working days, or if the student or parent is not satisfied with the results, the student or parent may elect to proceed with step B.

Step B – Administrator

The student or parent shall present the grievance in writing to the school administrator. The administrator will arrange a meeting with both parties involved. The administrator will then issue a written judgment based upon the information received from both parties and an examination of school policies and procedures.

If the grievance is not settled within 10 working days of the presentation of the written grievance, or if the student or parent is not satisfied with the results, the student or parent may elect to proceed with Step C of the grievance procedures.

Step C – School Board

The student or parent must present the grievance in writing to the chairman of the school board within 20 working days of receiving a written judgment from the school administrator. The written grievance must contain sufficient detail to identify and clarify the basis for the grievance.

The written grievance should contain the following:

- a. The specific action or incident upon which the grievance is based
- b. The date the action or incident occurred.
- c. The reasons the student or parent believes that the action was unfair or unjust, and the specific policy or agreement that was violated (if applicable).
- d. Corrective action sought by the student or parent.
- e. A brief summary of the student's or parent's attempts to date to resolve the problem, and the results of such actions.

Upon receipt of a written grievance, the chairman of the school board will take the following actions:

- a. Determine whether Steps A and B have been followed. If they have not, the aggrieved party will be re-directed to complete the previous steps.
- b. Establish and maintain a grievance file which will be the official record of all actions taken during the grievance procedure.
- c. Establish a Grievance Committee consisting of at least 3 board members.
- d. Conduct a hearing to examine written evidence and listen to testimony from both parties.
- e. Examine all school policies and procedures relevant to the grievance.
- f. Issue a written summary judgment regarding the grievance.

The decision of the board committee will be final.

400 – 499 ACADEMIC PROGRAM

400 Accreditation (Amended 7/1/2012)

The State of Kansas does not require private schools to be accredited. Flint Hills Christian School recognizes the distinct benefits of accreditation for the purpose of self-study and

accountability as well as for insuring a quality education for the students the school serves. The school was granted full accreditation on July 1, 2012 by the Association of Christian Schools International (ACSI) and AdvancEd (NCA).

401 Faculty Selection

All staff members of Flint Hills Christian School have been carefully selected on the basis of their education, experience, and integrity. The most outstanding requirements for the instructional staff are a God-given gift to teach, an unselfish spirit of dedication to the students, proven expertise in the assigned teaching area, belief that the Christian school ministry is their service to God, complete and personal acceptance of the Lord Jesus Christ, and a visible daily walk of the Christian life.

402 Class Size Guidelines

Class sizes will be limited by the following guidelines:

- Pre-K: ten (10) students per session
- Kindergarten: fifteen (15) students per session
- 1st - 12th grades: eighteen (18) students per class.

More students will be added only with the consensus of the teacher and the administration.

404 Curriculum

Flint Hills Christian School creates its curriculum based on the school's foundational documents (see policies 001-006) For the most part, curriculum materials are from Christian publishers (A Beka, Bob Jones, ACSI, etc.); however, available materials are researched to determine what will best accomplish our purposes.

405 Reporting Student Progress

Reporting student progress is an important part of parent/teacher communication. Several reporting methods may be utilized including progress reports, conferences, standardized test reports, and parent visitation/observation.

1. Progress Reports: Students in grades 7-12 are encouraged to check their assignments and grades on RenWeb at least once per week. Grade cards will be given each nine (9) weeks. Eligibility reports will be issued regularly to students who fail to meet minimum grade standards.

2. Conferences: Twice during the year conferences will be scheduled as a part of the school's reporting process. Parents are expected to attend these conferences. Baby-sitters will not be available at the school.

3. Standardized Tests: Children are given a standardized test no less than once every two (2) years beginning with the 2nd grade. The scores of these tests will be kept on file in the office. After testing is completed, you may schedule a conference with your child's teacher for an explanation of the results.

4. Parent Visitation: Parents are encouraged to visit the school on an informal basis to observe their child(ren) in the instructional setting. Parents are also encouraged to discuss the student's

progress with the staff at any time. Appointments should be made in advance to ensure that visits do not disrupt tests and/or classes and to provide adequate time for conferencing.

406 Grading Scale

FHCS' grading scale is:

A	95-100 Superior	B-	80-83	D+	67-69
A-	90-94	C+	77-79 Avg.	D	64-66
B+	87-89 Above Avg.	C	74-76	D-	60-63
B	84-86	C-	70-73	F	0-59

407 Honor Roll

An honor roll will be determined at the end of each semester to recognize junior high and senior high students for high academic achievement. A student must achieve a minimum grade point average as follows:

HONOR ROLL:	3.0 — 3.49 (w/no more than 1 C and no Ds)
ADMINISTRATOR'S LIST:	3.5 — 3.99 (no Cs or below)
DISTINGUISHED HONOR:	4.0

408 GPA/Transcripts

Grade point averages (GPAs) are determined quarterly for secondary students. A numerical value from 0 - 4.0 is used in determining grade point averages. Official transcripts are kept for each high school student. Grades on transcripts are recorded without pluses and minuses. The parent, student, or educational institution may request copies of official transcripts.

409 Promotion/Retention Policy

If the retention of a student (grades K-8) is under consideration by a teacher, it is important that parents be informed early and frequently throughout the year. A kindergarten through fifth grade student may be retained when he/she is performing significantly below grade level or he has a failing (F) grade in one of the following major content areas: math, language arts, and reading. A sixth through eighth grade student may be retained when he/she has a failing grade in any two subjects. Prior to April 15, a conference shall be held with the parents, teacher, and the Administrator. The final decision rests with the Administrator.

410 Band (Adopted 10/13/2014)

Band is a mandatory class for all 5th grade students.

411 Grade Level Credit Requirements (Adopted 11/9/2015)

In order to be classified as a Sophomore, Junior or Senior, respectively, and participate in school activities specifically designated for that grade level, a student must have successfully completed the following number of credits prior to the start of the school year:

Sophomore 6 credits
 Junior 13 credits
 Senior 20 credits

Students entering Flint Hills Christian School after the start of their 9th grade year will have their transcript evaluated by the administrator and/or guidance counselor to determine what their standing would be. (See Policy #420 and #421 for Graduation Requirements and Transfer of Credits.)

415 Adding and Dropping Classes (Amended 11/10/2014)

At the beginning of each semester, the deadline for adding or dropping class will be (2) weeks after classes start. All changes require the consent of the Administrator, the teachers involved, and the parent. A student may drop a class up to the end of the first quarter of the semester without penalty but after the first two weeks will not be able to add a class. If a student chooses to drop a class during the second quarter of either semester, it will be designated on their report card as “withdrawn passing” or “withdrawn failing”.

420 Graduation Requirements (Amended 3/4/2013)

In order to be eligible to graduate from FHCS and receive a diploma, a student must complete a program to include 28 high school credits according to the requirements listed below.

421 Transfer of Credits (Amended 2/7/2011)

Students who transfer to FHCS after the first semester of 9th grade and plan to graduate from FHCS, will have their transcripts evaluated by the school administrator to determine what courses/credits will be accepted towards graduation at FHCS. Credits will generally be accepted from all accredited high schools and non-accredited Christian schools. Credits from home-school settings may be validated with standardized achievement tests (SAT-10, ACT, PSAT, etc.). Credits may be accepted in mathematics, language, social studies, or science if a student scores at least at the 50 percentile on a standardized test in the particular area of study. Credit for a lower level course may also be accepted by a student's successful completion of a higher level course in the same field (e.g. success in pre-calculus may validate an Algebra II home-school credit).

Credits from community or junior colleges (Highland, Cloud County, MATC, etc.) will generally be accepted at the rate of 1 semester of a 3 hour class counting as a .5 high school credit at FHCS.

Final decisions regarding the acceptance or denial of credit reside with the administrator.

Grade level placement in elementary classes is at the administrator's discretion based upon school records, teacher and parent input, and testing data.

422 Graduation Honors

A senior must have earned at least 11 hours of high school credits at FHCS and have maintained a 3.5 GPA or higher on credits earned at FHCS. Eligible students will be recognized with an honor cord at commencement. The student with the highest GPA in the class will be recognized as valedictorian and given the honor of speaking at commencement. The student with the second highest GPA in the class will be recognized as salutatorian and may also be given the honor of speaking at commencement. Students must be in attendance at least their two final years at FHCS to be considered for valedictorian or salutatorian honors.

423 Diplomas (Amended 7/18/11)

Diplomas are given or mailed out after graduation. The graduate must have returned all books, paid all money due to the school, and completed any final requirements for graduation. Flint Hills offers two levels of diplomas. A general diploma will be given to students who meet the school's basic requirements for graduation. An FHCS Scholar's Diploma will be given to students who meet the school's Scholars requirements (exceeding the KS Regents requirements).

424 Seniors

Seniors are required to take a minimum of four (4) credits at FHCS and must have completed all required courses to graduate. If a senior is only enrolled in four classes (worth 4 credits or less) tuition will be reduced by 25%. If enrolled in five classes (worth 4.5 credits or more) or more, the student will be charged full tuition.

Seniors, with written permission from parents and approval of the Administrator, may arrive at school just before their first class, depart after their last class, or leave school during a gap in classes of longer than a class period during the day. Seniors are expected to attend weekly chapel. Seniors with gaps in their daily schedule may be assigned to a study hall or other activities while on campus.

425 Off-Campus Classes

A student who intends to graduate from FHCS may take classes off campus (e.g. KSU, MCC, Highland C.C, and MHS) but must abide by the following:

1. Courses that FHCS offers generally cannot be taken elsewhere.
2. Off-campus classes cannot interfere with FHCS classes.
3. Student must have prior approval of the Administrator.

428 Secondary Honors Program

An Honors Program will be held each spring to recognize meritorious junior and senior high students. Other recognitions will include the Honor Society, and the Strong Heart, Strong Spirit and Cindy Blanchard Awards

429 Strong Spirit Award

The Strong Spirit Award will be awarded annually to the sophomore, junior or senior high school boy and girl who exhibit spiritual leadership in all areas of their school experience. One boy and one girl may also be awarded a runner-up award. Specific guidelines for selection will be developed by the administrative staff. Faculty are encouraged to consider meritorious students who have not yet received the award.

430 Honor Society

The FHCS Honor Society is an organization for students in the 9th-12th grades who have demonstrated consistent strength in scholarship, leadership, character, and service. Specific guidelines for selection will be developed by the administrative staff in

consultation with the faculty.

435 Media Center Philosophy (Approved 1/3/2011)

The Media Center should actively support Flint Hills' educational programs while remaining consistent with the school's foundational documents (Policies 001-006) and Biblical principles.

The Media Center should be recognized as a resource for many perspectives, ideas, positions, and expressed convictions. These are not all expected to be in agreement with each other. While parents are encouraged to help their children grow in discretion of how their time is spent and with what materials, it is not the Media Center coordinator's responsibility to exercise that discretion by denying secondary students access to materials with controversial points of view.

436 Media Center Donation Policy (Approved 1/3/2011)

Donations of books and other materials may be added to the Media Center collection, sold or discarded based upon their physical condition, accuracy of content, edition, relevancy to the school community, cultural appropriateness, and shelf space.

Materials with pornographic content (either picture or text), wanton or superfluous obscenity, or gratuitous violence (i.e. obscenity or violence that goes beyond what is necessary to establish a character or support a story line or that is merely for entertainment purposes) will not be accepted in our Media Center. The status of books and other materials as "time-honored classics" may be an additional criterion for making subjective judgments regarding inclusion in the Media Center collection.

437 Disposal of Media Center Materials (Approved 1/3/2011)

On a regular basis, the coordinator will review the center's materials and identify items for potential removal from the collection. After consulting with the faculty regarding relevancy of the materials for instruction, the coordinator will dispose of materials as he/she determines necessary. If a teacher and the coordinator have a disagreement over whether a particular item should remain in the library, the administrator will make a final determination.

438 Reconsideration of Books and Materials (Approved 1/3/2011)

If anyone objects to the presence of a book or other materials used in the Media Center or a classroom, he/she is asked to pursue the following steps (in accordance with the principles found in Matthew 18:15-17).

1. Discuss the material in question with the coordinator or teacher involved.
2. After reviewing the material in its entirety, the complainant should file a written request with the school administrator requesting the removal of the material and explaining the basis of his/her objection to the work.
3. Upon receipt of a formal request for reconsideration, the administrator will appoint a review committee comprised of the administrator, a teacher, and the coordinator who will meet and discuss the material in question.
4. The committee will review the information and make a decision as to whether the material should be withdrawn. The decision will be communicated to the complainant.

5. If the complainant is dissatisfied with the committee's conclusions, he/she may file a written appeal to the school board president, requesting consideration of the materials. Any action taken by the school board will be final.

440 Chapel Services (Approved 1/3/2011)

Chapel services will be held weekly for students in all grades at FHCS. Older students may be invited to participate in the planning and leadership of chapel events. An annual outline or overview of secondary chapel services will be maintained with curriculum files to help provided continuity from year to year.

The purpose of chapel services is to deepen our students' relationship with God through activities such as praise and worship, prayer, scripture reading, exhortation and testimonies. Chapel services will be conducted according to Biblical principles. The final responsibility for chapel resides with the administrator.

Chapel services are divided by grade levels. Elementary chapels are conducted by the teachers, while faculty, students, area pastors and other guest speakers provide messages for grades 7-12. The following guidelines are used:

1. Attendance is required of all students. Older students are expected to bring their Bibles, pencils and paper.
2. Students are expected to demonstrate proper courtesy to speakers or group leaders.

455 Student Intervention Team (Adopted 12/5/2011)

A School Intervention Team (SIT) will assist the faculty in analyzing the special academic needs of individual students. The SIT will assist with classroom observations, marshalling resources and proposing interventions to meet student needs. The SIT will also work with special education staff from U.S.D. 383 to serve as a gateway to special education testing and service. Organization of the SIT will be the responsibility of the administrator.

651 Purchasing Supplies and Equipment (amended 5/4/2016)

The Administrator will develop policies and guidelines for the purchase of materials, supplies and equipment for use by FHCS. These materials, supplies and equipment include, but are not limited to, those items used in athletics, music, yearbook, computer lab, science labs and other classrooms or extracurricular activities.

Purchasing

All purchases require a Requisition/Payment Form (available in the office) that must include the following information: description/purpose of item to be purchased, total cost, the name and address of supplier and the approval of the administrator. If approved, a check request can be made with our goal that all payment requests received by Tuesday will be paid no later than Friday of that same week. The school credit card is available for check-out in the office for approved purchases. Specialty store credit cards (e.g. Home Depot, Menard's Wal-Mart, etc.) are also available for check-out and the school maintains several local business accounts. Whenever possible, the use of a check request or school accounts including credit cards are encouraged for approved purchases.

FHCS is a 501(c)(3) certified, tax-exempt, non-profit organization. Thus, it is not required to pay state sales tax. All vendors should be notified at the time of purchase that the school is tax exempt and no sales tax should be charged. This must be verified before finalizing any purchase and is **required** for all school purchases. Tax exemption certificate copies are available in the office.

Expense Reimbursement

Reimbursement requests must be promptly submitted to the office within 45 days of the expense being incurred. **Sales tax will not be reimbursed.**

Please submit a Requisition/Payment Form to the office with the following:

- The original receipt.
- The amount of the expenditure.
- The time and date of the expenditure.
- The business purpose of the expenditure.

Failure to abide by this policy will result in a verbal warning on the initial occurrence and a written warning on the second occurrence. If this policy is violated after the initial two warnings, that violation and all future violations will result in a deduction to the employee's paycheck for the amount in question. If any violation is viewed to be egregious by the Administrator, steps one and two may be bypassed.

Please forward all delivery tickets, invoices, statements, and other pertinent information to the office promptly upon receipt. Do not hold invoices for any reason.

Non-exempt employees (hourly) must be paid overtime for hours worked in excess of 40 hours per week pursuant to state and federal laws. Overtime hours must be approved in advance by the Administrator.

Also, hours worked outside the normal weekly agreed upon schedule must be approved in advance, whether or not they exceed 40 hours.

671 Time Sheets

Hourly employees are responsible for completing time sheets on a daily basis. Time sheets should be submitted prior to the last working day of the month in order to be paid in a timely fashion. Time sheets should be given to the Business Manager prior to payments (payroll) being made.

Authority to sign checks is delegated by the board to the Administrator and other parties related to the school as deemed appropriate by the board. The list of approved signatories should be reviewed by the board at the beginning of each fiscal year.

Any check for an amount of \$750 or more requires two signatures. For amounts less than \$750, only one signature is required.

700 – 749 BUILDINGS AND GROUNDS

700 Building Use and Rental

The administration will create policies and guidelines for the rental and use of the FHCS campus by outside groups to include fee schedules, building cleanup, security, etc. The building may be rented to any group or individual for non-profit use that is not in potential conflict with the school's purposes and objectives (BP #001-006)

Any proposed long term (more than 3 months) rental agreement for use of the campus will require consultation by the Administrator with the board.

710 Preventative Maintenance Schedule

800 – 849 HEALTH AND SAFETY

800 Health Records

The school office will retain student health records including copies of physicals and certificates of immunization.

805 Administration of Medications (amended 5/4/2016)

FHCS does not provide licensed, trained medical personnel on campus (e.g. school nurse, EMT, etc.). Any medical situation requiring more than basic first aid will involve notifying parents and/or dialing 911.

Medications (including aspirin, acetaminophen, ibuprofen, decongestants, antihistamines, etc.) shall not be administered to any child except with written permission from a parent or legal guardian or permission on the student's Emergency Contact Card. No prescription medication will be administered by school personnel without written permission from a parent or legal guardian and written permission from a licensed medical provider which includes the name of the prescription medication, dosage and time interval it is to be taken.

The school and its officers, employees or agents incur no liability for damage, injury or death resulting directly or indirectly from the administration of medication and parent or legal guardian must also agree to release, indemnify and hold the school and its officers, employees and agents, harmless from and against any claims relating to the administration of medication. The main office will keep a record of all medications given to elementary and secondary

students including over-the-counter and prescription medications. The record is to include student identification, date prescribed, name of medication, time and date(s) administered and signature of person administering. Parents or legal guardian will be notified of the administration of all non-scheduled medications. All medication maintained in the school setting is to be kept in a locked container including medication requiring refrigeration. Medications should be inventoried every semester. Out-of-date stock should be returned to parent or legal guardian or disposed of properly.

In the administration of medication, the school employee shall not be deemed to have assumed any legal responsibility other than acting as a duly authorized employee of the school. The Administrator may choose to discontinue or disallow the administration of medication provided that the parent or legal guardian or licensed medical provider are notified in advance of the date and the reasons for the discontinuance.

Over-the-counter medications:

- The office will administer all over-the-counter medications for elementary students.
- Medication may be given to an elementary student only one time within a school week. Administration of a second medication within a week requires prior parental permission.
- Secondary students are allowed to carry over-the-counter medications for their personal use only.
- The office will supply or administer over-the-counter medications to secondary students with parental permission.

Prescription medications

- Prescription medication must be in its original container, properly labeled and authorized by the written order of a licensed medical provider. It must be brought by the parent or legal guardian, not the student. Any changes in type of drugs, dosage and/or time of administration should be accompanied by new licensed medical provider and parent or legal guardian permission signatures and a newly labeled pharmacy container.
- The initial dose must have been previously administered by the parent or legal guardian to the student due to the higher incidence of medication reaction.
- Only office personnel will administer prescription medications to elementary and secondary students with the following exception:

The self-administration of medication is allowed for eligible students in grades K-12. An eligible student shall meet all the following requirements: written permission by a parent or legal guardian; a written statement from the student's health care provider stating the name and purpose of the medication; the prescribed dosage; the time the medication is to be regularly

administered; any additional special circumstances under which the medication is to be administered; the length of time for which the medication is prescribed.

All teachers responsible for the student's supervision shall be notified that permission to carry medication and self-administer has been granted. In meeting the requirements for self-administration listed above, the parent or legal guardian agree the school and its officers, employees or agents incur no liability for damage, injury or death resulting directly or indirectly from the self-administration of medication and agree to release, indemnify and hold the school and its officers, employees and agents, harmless from and against any claims relating to the self-administration of medication.

810 Accidents on School Property or at School Events

FHCS personnel will administer immediate first aide in the event of an accident. FHCS retains the right to seek professional assistance when deemed necessary in the event of an accident involving an FHCS student on school grounds or attending a school event. This assistance includes, but is not limited to, emergency medical personnel, ambulance, doctor and emergency room services.

Parents or guardians of an injured student will be notified as soon as possible in the event of a significant accident (e.g. potential stitches, sprain, broken bone, head injury). Parents or guardians of an injured student are responsible for the cost of all services obtained on a child's behalf.

An accident report will be filed in the office by school personnel.

815 Student Illness

In the event a student becomes ill during the school day, the teacher is to send the student to the school office. The office will make a determination as to whether the student's parents should be called and whether the student should be sent home.

It is the policy of Flint Hills Christian School to send children home if they have a rash, are vomiting, running a fever, or if head lice is found. Children should be kept home from school until they are sufficiently recovered from their illness to allow them to effectively complete their daily school activities and are no longer contagious.

825 Emergency Drills

Throughout the year, there will be announced and unannounced fire, tornado and lockdown drills in accordance with Kansas statutes. When the fire alarm sounds, all persons in the school building will file out in a quiet, orderly fashion. All doors must be shut, lights turned off, and there will be no talking. Each student is to remain with his classmates at all times. All classes will have an assigned exit through which they are to pass. A signal will be given to reassemble in the classroom.

Three tornado drills will be held during the school year. Students will be instructed each year regarding —safe areas in which to take shelter in the event of a tornado warning. Lockdown drills will be conducted early in the year. The school will hold —safety days training in the

early fall for all classes.

830 Crisis Management Plan

The school will maintain an Emergency Crisis Plan. Copies will be given to all employees. The plan will be reviewed annually.

835 Supervision of Students Before and After School

Supervision will be provided for students 25 minutes before school starts and 10 minutes after dismissal. FHCS will not be responsible for students prior to or after these times. The exceptions are elementary students who are in PM Academy or students who are involved in a school supervised activity.

K-6th grade students remaining on campus and who are not involved in a teacher/coach supervised activity will be assigned to PM Academy. The Administrator will also develop rules and guidelines for unsupervised students who remain on campus more than 10 minutes after dismissal.

851 Bible Classes

All full-time students will be enrolled in a Bible class.

902 School Hours (Amended 2/6/2012)

School hours are from 8:20 a.m. - 3:30 p.m. for full time students. K-4 and half-time kindergarten students attend from 8:20 a.m. – 11:25 a.m. The total hours of instruction and accounting methods to tabulate school hours will conform to standards for public school in the state of Kansas.

Supervision will be provided for students 25 minutes before school starts and 15 minutes after dismissal. This means that the school will not be responsible for students prior to or after these times unless they are in PM Academy or involved in a school activity. This schedule will be adhered to so that teacher preparation time will not be infringed upon.

910 Annual Survey

Parents and teachers will be surveyed annually for suggestions and input.

915 Right of Access to Records

The Buckley Amendment of the Family Educational Rights and Privacy Act of 1974 grants the right of access to educational records accumulated subsequent to December 21, 1974. Access must be granted within forty-five (45) days of making a written request. A request must be submitted to the administrator's office. Available records include grades, evaluation, and standardized test results. These records cannot be released to persons or institutions outside the school without written request of the parents. The Buckley Amendment affords the right for challenging the accuracy of recorded information. A parent may challenge the content of the records by making a written statement of his position. That statement shall be inserted in the records.

930 School – Church Partnerships (Adopted 7/18/11)

Flint Hills may enter partnerships with area Christian churches with the intent of increasing mutual support. Partnership benefits for area churches would include:

1. publicizing of special church events thorough the school's newsletter and website,
2. sharing/renting of FHCS facilities at a reduced cost,
3. FHCS students performing pastoral internships in local churches,
