# Grandparents Day **P A R A D E**

Dearest Grandparents of Flint Hills Christian School Students,

We're celebrating Grandparents Day in a fun way this year and you are invited to join us by participating in our parade!

Simply pull into the parking lot of our school, stay in your vehicle, roll your windows down and drive by all of our students who will be waving, holding up posters and cheering as you slowly drive by. Feel free to decorate your vehicle if you want! Last year, many grandparents had posters and decorations with the names of their grandchildren on them. We're excited for the opportunity to honor you! Please note, Pre-K students will only participate the first 15 mins.
