

Hello and Happy Holidays!

As a Flint Hills Christian School supporter, you know the value and importance of Christian education. We are so thankful for your love of Jesus and commitment to the Kingdom work done within the walls of our discipleship school. Nearing the end of 2021, we look back with genuine gratitude at your support in prayer, in giving and in action. It takes a community of people to advance our school's Mission and we are grateful that you understand the impact to be had in raising Warriors for Christ.

The giving season is almost here! As you pray about your year-end giving, we would be extremely humbled and honored for you to choose from the following ways to invest in Flint Hills Christian School and in the lives of children. All gifts - no matter the size - will help sustain our non-profit, Christian school throughout this school year and many more to come.

- **Giving Tuesday** - On November 30, 2021, visit our online giving portal to participate in the global movement of financially supporting organizations that transform communities, including ours! Funds given will directly benefit staff development, facilities upkeep and program enhancement.
- **Raising Warriors Capital Campaign** - We have achieved incredible success over the last 12 months. God has faithfully provided in so many ways. The past year has also seen it's challenges. Construction costs saw significant increases due to a strain on materials and labor. We have made a final adjustment to our overall goal to account for these unusual and unforeseen increases. We have raised just over \$6m toward the increased goal of \$8m. That means there is still a part to play in the build of our new 28,000 square foot Elementary Wing.
- **General Fund** - Keeping tuition costs to parents at a minimum is a priority for our school. However, there are expenses over and above our tuition rate with the difference being made up by individual and corporate contributions and special gift giving opportunities - like this. The general fund supports budget line items such as payroll, athletics, curriculum and scholarships.

For details on how to give, including how to find our online giving portal, please see the included gift form.

Our leadership does not take your investment for granted and we are working with all of our might to give you a tremendous dividend in this world and in the one to come. Keep us in your prayers as we work to shape well-educated, effective leaders of tomorrow who confidently love, serve, and honor God.

Sincerely,

Matt Zimmerman,
Principal

Our mission, as an extension of the Christian home, is to educate in Truth, train in righteousness, and fully develop each child in body, mind and spirit.
