# LEARNING NEEDS

EMBRACE. EMPOWER.

CORE VALUE #7

We have curriculum standards which are firm and set by our dual accreditors and also our Board of Directors. Think of those standards as the **bones** of our educational skeletal system.

We have the flexibility and freedom to add in experiential learning activities, to allow students to excel in their specific areas of interest, and to dedicate the necessary amount of time in instruction to ensure students are truly soaking in the content. This key part of individualized learning is the **muscle** of the curriculum, flexing and moving as needed to ensure comprehension and information retention within each member of the class.

Whatever you do, work at it with all your heart,  
as working for the Lord. Colossians 3:23

# CONFLICT RESOLUTION

FOLLOW THE FORMULA

---

CORE VALUE #9

*Step 1* **Keep the matter private and confidential.**  
You need only share with those directly involved. Do not gossip about or malign the wrong doer. "With their mouths the godless destroy their neighbors." Proverbs 11:9

*Step 2* **Approach the person.**  
Most of the time, the solution to conflict resolution is dialogue. "If your brother or sister sins, go and point out their fault, just between the two of you." Matthew 18:15

*Step 3* **Be straightforward.**  
Restoration and improvement can only come when the issues are lovingly, yet clearly, presented. "Wounds from a friend can be trusted." Proverbs 27:6

*Step 4* **Be quick to forgive.**  
Once the matter is resolved, we should whole-heartedly forgive and restore the person whose fault has offended us. "If he hears you, you have gained your brother." Matthew 18:15

*Step 5* **If still unresolved, both parties should meet with the principal.**  
Come to the meeting in a spirit of prayer and humility, willing to submit to the Lord's will in the matter and also willing to submit to reproof and correction if needed. "But if he will not hear, take with you one or two more, that 'by the mouth of two or three witnesses, every word may be established.'" Matthew 18:16

*Step 6* **If still unresolved, the principal should go to the board.**  
The matter is to be prayerfully and in an orderly fashion moved upward in the school's organizational structure. This is the Lord's way of solving people-to-people problems as outlined in Matthew 18.
