WHAT IS FLINT HILLS CHRISTIAN SCHOOL?

Flint Hills Christian School (FHCS) is a private, independent, non-denominational, and discipleship-oriented Christian school located in Manhattan, KS (approximately two hours west of Kansas City, MO). FHCS maintains an average annual enrollment of approximately 175 students in grades Pre-Kindergarten through 12th grade. FHCS is fully accredited through both ACSI and Cognia, boasts an average ACT score of 25 over the past 6 years, offers numerous athletics and extra-curricular activities.

WHO ARE WE AT OUR CORE?

We are a school and community of Christ followers united by and committed to our mission to be an extension of the Christian home in helping each child develop in mind, body, and spirit. In this context, we are not a replacement for the home or the church. Our ultimate goal is to equip and prepare well-educated, mature Christian men and women to best fulfill God’s calling in their lives. We stand upon and are inspired by five core values which represent the heart and soul of FHCS. First and foremost, we operate from a Biblical, Christ-centered foundation in all that we do. We are rigorously academic – we place tremendous value on the quality of education we offer. Accordingly, we are proud of and grateful for our exceptional faculty who serve as strong and faithful educators for our students every day. We are fully committed to discipleship and Christ-centered mentorship as we realize learning through long-standing relationships with positive role models is critical to ongoing growth and maturity. Finally, we are independent and non-denominational, operating with complete institutional freedom as we strive to follow and honor the Lord alone.

WHERE ARE WE GOING AS A SCHOOL?

Numerous parents, teachers, administrators, Board members, students, and community supporters have faithfully and consistently gone before the Lord in prayer for several years seeking the Lord’s guidance for our school. Over the past three years, these FHCS prayer warriors have been inspired by the Lord to pursue a bold growth plan, called Vision 2030. We believe the Lord has called us to prepare to serve 300 students by 2030 by pursuing advancements in several key areas including Staff Development, an enhanced Student Experience, Marketing, Facilities Improvement, and Long-term Investment. Vision 2030 is big and bold. And, so is the Lord. We are completely trusting Him. And, we fully expect this vision from the Lord to be fully realized. Within

Vision 2030, there is a tremendous amount of margin available for new and different priorities, strategies, and ideas.
